

"Honoring Our Past,
While Designing Our Future"

News From
CLEAR CREEK COUNTY
LAND USE GROUP & MAPPING DEPARTMENT

Clear Creek County's Land Use Group is pleased to announce that for the Planning, Site Development, Environmental Health and Building Departments permit applications are now available on the website for viewing and printing. This allows the applicants to bring the filled out applications with them on their first visit which are required in order to develop property in Clear Creek County. The web address is:

http://www.co.clear-creek.co.us/Depts/LUG/building_in_clear_creek_county.htm

Attn: All realtors and property researchers – We now have permit records on-line. Find septic information, various permits all at your fingertips.

Go to: <http://www.co.clear-creek.co.us/etrakit/index.asp>

The County Mapping Department has just launched a new online mapping application (ClearMap), in which users can view spatial data, create and print their own custom maps. This application includes Aerial Photography, Parcel, Zoning, Transportation, and elevation information.
