

FLOYD HILL MASTER PLAN

COLORADO'S GATEWAY TO THE MOUNTAINS

GET INVOLVED!!!

Clear Creek County is kicking off a project to develop a master plan for the Floyd Hill area and we need your input!

Open public design charettes will be held on August 18th and 19th at the Clear Creek Fire Authority facility located at 35713 U.S. Hwy. 40, in the Clear Creek Technological Park. Public meetings will be held both evenings from 6pm-8pm. Participants may attend either day. Open office hours will be held from 10am-6pm, and anyone may walk in to meet with the project team. Design charette results will be used by the County to develop the Master Plan and final conceptual design for the land uses, infrastructure, and transportation services for Floyd Hill.
